Dear Khaya and Milton

Please see below.

I'm sure we can either look at Thuthuka, or the Deloitte offer for the student below.

Kindly contact the student and see which may be the best option.

Thanks.

Kind regards

Hi Nirupa/Tawana

See email below. I think I know him as one of the students in Irfan's class. But my attention was drawn to the fact that he had distinctions in Maths and accounting. I am not sure what he is doing. Anyway we can help? How about Thutuka if he is doing accounting.

What do you think?

Best

Adam

Mr. Habib,

Over the years I've been happy to be acquainted with you through your son, my close friend, Irfan. He has played a big role in my academic results. As we say goodbye to him at his farewell gathering at your residence, we're not saddened by his departure rather we're happy for the experience.

You have been a constant inspiration to the masses nationally. Having known you as more than just a VC has been a privilege. Although, not all years are kind to us. I applied to Wits and received a discount for my

distinctions in mathematics and accounting. Unfortunately I hadn't been contacted by any of the bursary schemes i had applied for. If ever there is anything you can do to help me, it would be highly appreciated by me and my family.

Kind regards,

Kabelo Mabaso

Dear colleagues,

I have asked the student to come and see me in my office tomorrow so I can organise a funding package for him under the Thuthuka Programme.

I will update you as soon as the process has been completed.

Dear colleagues,

This is just to confirm that I have met with the student and offered him a Thuthuka Bursary for his studies which he has accepted.

He will be housed in South Point for this year with the option of moving on-campus for the 2015 academic year.

Regards,

Khaya S Sithole
